FROM THE DESK OF SHARI, our C.E.O.

To Our Dear Customers,

My family has been in the hardware business since the early 1950s. My grandfather, Mr. Abraham Barkan was the owner of Florida Hardware and Paint on Calle Ocho, right here in the heart of Miami. I am proud to say that today, the fourth generation of our family, including nieces, nephews and cousins are all working together with our wonderful staff to serve and accommodate you, our devoted customers.

Central EAST Warehouse takes pride in leading the industry with customer service, rapid response time, providing quotes and delivering merchandise. Our inventory is constantly growing to better serve you. We continually strive to initiate new ways of providing top customer service.

We carry a full line of name brand and top quality commercial door hardware and bathroom accessories, lockers, restroom partitions and partition hardware, **and just about any hardware item that comes to mind.** We specialize in **marine hardware** and **corrosion resistant** products that are paramount to the cruise lines and hotels in the Caribbean and worldwide.

Our sincere appreciation goes to you, our valued customers, many of whom our family has been servicing for over three decades. We look forward to continuing our long lasting friendships and relationships here at **Central EAST Warehouse.** I personally welcome your comments and requests any time.

Thank you for the wonderful opportunity to have you as our dedicated customer!
